

## CORPORATE SPONSORS

PAPERS gives special recognition to the following firms that are supporting PAPERS' mission of educating public pension fund trustees and fiduciaries. By sponsoring this Virtual Forum, they have contributed to the operations of PAPERS and are helping to insure that the means exist to better serve our plan members and our constituents. We encourage our Forum participants to also acknowledge these sponsors' efforts.

Founded in 1939, Neuberger Berman is a private, 100% independent, employee-owned investment manager. From offices in 35 cities worldwide, the firm manages a range of strategies—including equity, fixed income, quantitative and multi-asset class, private equity, real estate and hedge funds—on behalf of institutions, advisors and individual investors globally. With more than 600 investment professionals and approximately 2,300 employees in total, Neuberger Berman has built a diverse team of individuals united in their commitment to delivering compelling investment results for our clients over the long term. That commitment includes active consideration of environmental, social and governance factors. Our culture has afforded us enviable retention rates among our senior investment staff and has earned us a citation from *Pensions & Investments* as a Best Place to Work in Money Management for six consecutive years.

## **T. Rowe Price is proud to be a sponsor of this year's PAPERS conference**

T. Rowe Price is an independent investment management firm focused on helping clients meet their objectives and achieve their long-term financial goals. Today, we manage assets across a broad range of active equity, fixed income and multi-asset investment strategies. Our global client base includes many of the world's leading corporations, public retirement plans, foundations, endowments, financial intermediaries, and sovereign entities, with institutional assets accounting for over 50% of the firm's total assets under management.

At T. Rowe Price, retirement is at the heart of what we do.

- For more than 80 years, clients have partnered with us to access investment solutions designed to meet their needs with the aim of sustainable long-term investment results.
- Our deep understanding of plan sponsor and participant needs enables us to deliver investment solutions that pursue the best outcomes for participants.
- Today, with more than 60 years of experience serving institutional clients—and over 40 years in the DC business—we're an established industry leader with a reputation for intellectual rigor, integrity and a high degree of stability.
- In 1974, the firm led the way in the relatively new industry of public defined contribution (DC) plans—with our first U.S. retirement accounts.
